

PART No. 8688951  
BROMIC DIGITAL MANOMETER

Bromic's HT-1891 Digital Manometer is accurate to  $\pm 0.3\%$  FSO (25°C). It's a light yet robust handheld device that's infinitely portable and ready to go at a flick of the 'on' button. It has a record function to retain data and boasts a large dual LCD screen with a backlight. Running off a simple 9V battery, the HT-1891 even has a low battery indicator.

### Features

- Record function
- Data hold
- Large dual LCD with backlight
- Max/min/avg value
- Low battery indication
- Auto power off
- 11 different units of measure

### Specifications

PRODUCT CODE	8688951
Display	Dual LCD
Accuracy	$\pm 0.3\%$ FSO (25°C)
Repeatability	$\pm 0.2\%$
Linearity/Hysteresis	$\pm 0.29\%$ FSO
Maximum Pressure	20 psi (137 kPa)
Pressure Measurement Range	$\pm 34.47$ kPa
Low Battery Indicator	YES
Over Range Indicator	Err. 1
Under Range Indicator	Err. 2
Operating Condition	0° to 50°C
Power Supply	1 x 9V Battery (included)
