

GRATESEAL - Bucket Trap 100mm (with Basket)

GSBT

Bucket Trap 100mm (with Basket)

Product Features

- Easy, retrofit installations only take a few minutes
- Bucket is removable for maintenance
- Suitable for any drainage outlet as it is installed under the grate
- Unlike stainless steel varieties, this Bucket Trap doesn't prevent the operation of fire collars
- No fixing required as the seal stays in place through friction
- The materials used are resistant to breaking down

Gentec products come with a Manufacturer's Warranty. To ensure the validity of this warranty, Gentec products must be installed following the provided installation instructions and adhering to AS 3500, NCC Volume Three, relevant Australian Standards, and any local authority requirements applicable to the product. Additionally, water and electrical supply conditions must meet the appropriate national and/or state standards. Non-compliance with these provisions may impact product performance and void the warranty.

Technical Drawings

All measurements are in millimetres and should be used as a guide only.

Disclaimer: Stainless Steel Grades 304 & 316 are manufactured with ZERO* Lead.
