

Wall Mount Bottle Filler with Wall Mount Sensor

T-3MSS-BFSWB (battery operated)

T-3MSS-BFSWM (mains operated)

- Infrared 6 Sec Timed Sensor
- Full S/S Construction
- Equipped with 3monkeez Sensor Technology for Hands-Free Operation
- Sensor is Wall Mounted
- Available as Battery Powered or Mains Operated
- ½" FI BSP Inlet
- WELS 6 Star 3LPM
- Working Pressure Range 150kPa-500kPa
- Maximum Operating Temperature 40 Degrees
- Battery Powered – 2x CR123 3V Lithium Batteries Estimates 80,000 Cycles

*Exclusions apply
